Welcome to the Proposal Form for Convening Grants for Internationally Collaborative Exhibitions. Text and all attachments should be written in English. All proposals must be received electronically by the foundation's deadline. If the proposal does not include all of the following components, it will be considered incomplete. Please bear in mind that proposals will be reviewed by curators and scholars of American art, and therefore, materials should be written accordingly.

Please refer to the FAQ document found [here](#). Any questions about proposal components should be referred to the Terra Foundation's Grants Manager. Phone: 312.654.2275 or E-mail: grants@terraamericanart.org.

You can scroll through the proposal prior to filling out the data fields. You can also print out a blank proposal form for your reference.

You may copy and paste from other documents into the fields below.

Please note that proposal fields are plain text and that formatting options are limited. Please use numbers rather than bullet points if submitting a list.

**IMPORTANT:** Do not use your browser's BACK key - you will lose any unsaved data! **SAVE OFTEN.**

PLEASE NOTE * An institution may apply for a convening grant even if it has applied separately, or will be applying separately, for research travel or general exhibition support for the same project. Each proposal is considered on its own merits; grant approval in one program does not guarantee grant approval in the other.
